Dear Ms. Dortch:

On October 20, 2017, at 11:45 AM, I spoke by telephone with Louis Peraertz, Senior Legal Advisor to Commissioner Clyburn. The call took place at Mr. Peraertz's request, in accordance with 47 C.F.R. § 1.1204(a)(10). During the call, I reiterated Google's support for the use of census tracts as the geographical basis for Priority Access Licenses in the 3.5 GHz band.

This notice is being filed in the above-referenced dockets for inclusion in the public record. Please contact me should you have any questions.

Respectfully submitted,
